Product Beschrijving

Glen Silver's Blended Malt Scotch Whisky is a blend of grain whiskies aged 3 to 8 years, and malt whiskies aged 3 to 12 years. An absolute delight, this Blended Malt Scotch Whisky has a rich gold color, with a nose of malted barley, oak and vanilla with hints of smoke. The flavor is very smooth and dry, with traces of wood and smoke, which ends on a peaty note in a rather dry finish which doesn't sting the throat.
